# Safiet Khot

## DOCTOR

**Disciplined and responsible ENT professional with over 6 years of clinical experience. Well versed in medical coding, including ICD-10-CM.**

I have strong knowledge of fundamental medical disciplines, understand the clinical diagnoses and conditions, procedures and medical services. I have strong experience in examination and treatment of ear nose and throat diseases, hearing loss, vertigo. Conduct and interpret diagnostic tests such as Audiometry, Tympanometry, Otoacoustic emission, able to fit hearing aids. As a healthcare professional I have natural communication skills, empathy and passion for making people healthier. I always put patients first.

I'm looking for opportunities in healthcare and eager to become a part of the team with strong principles of humanity.
